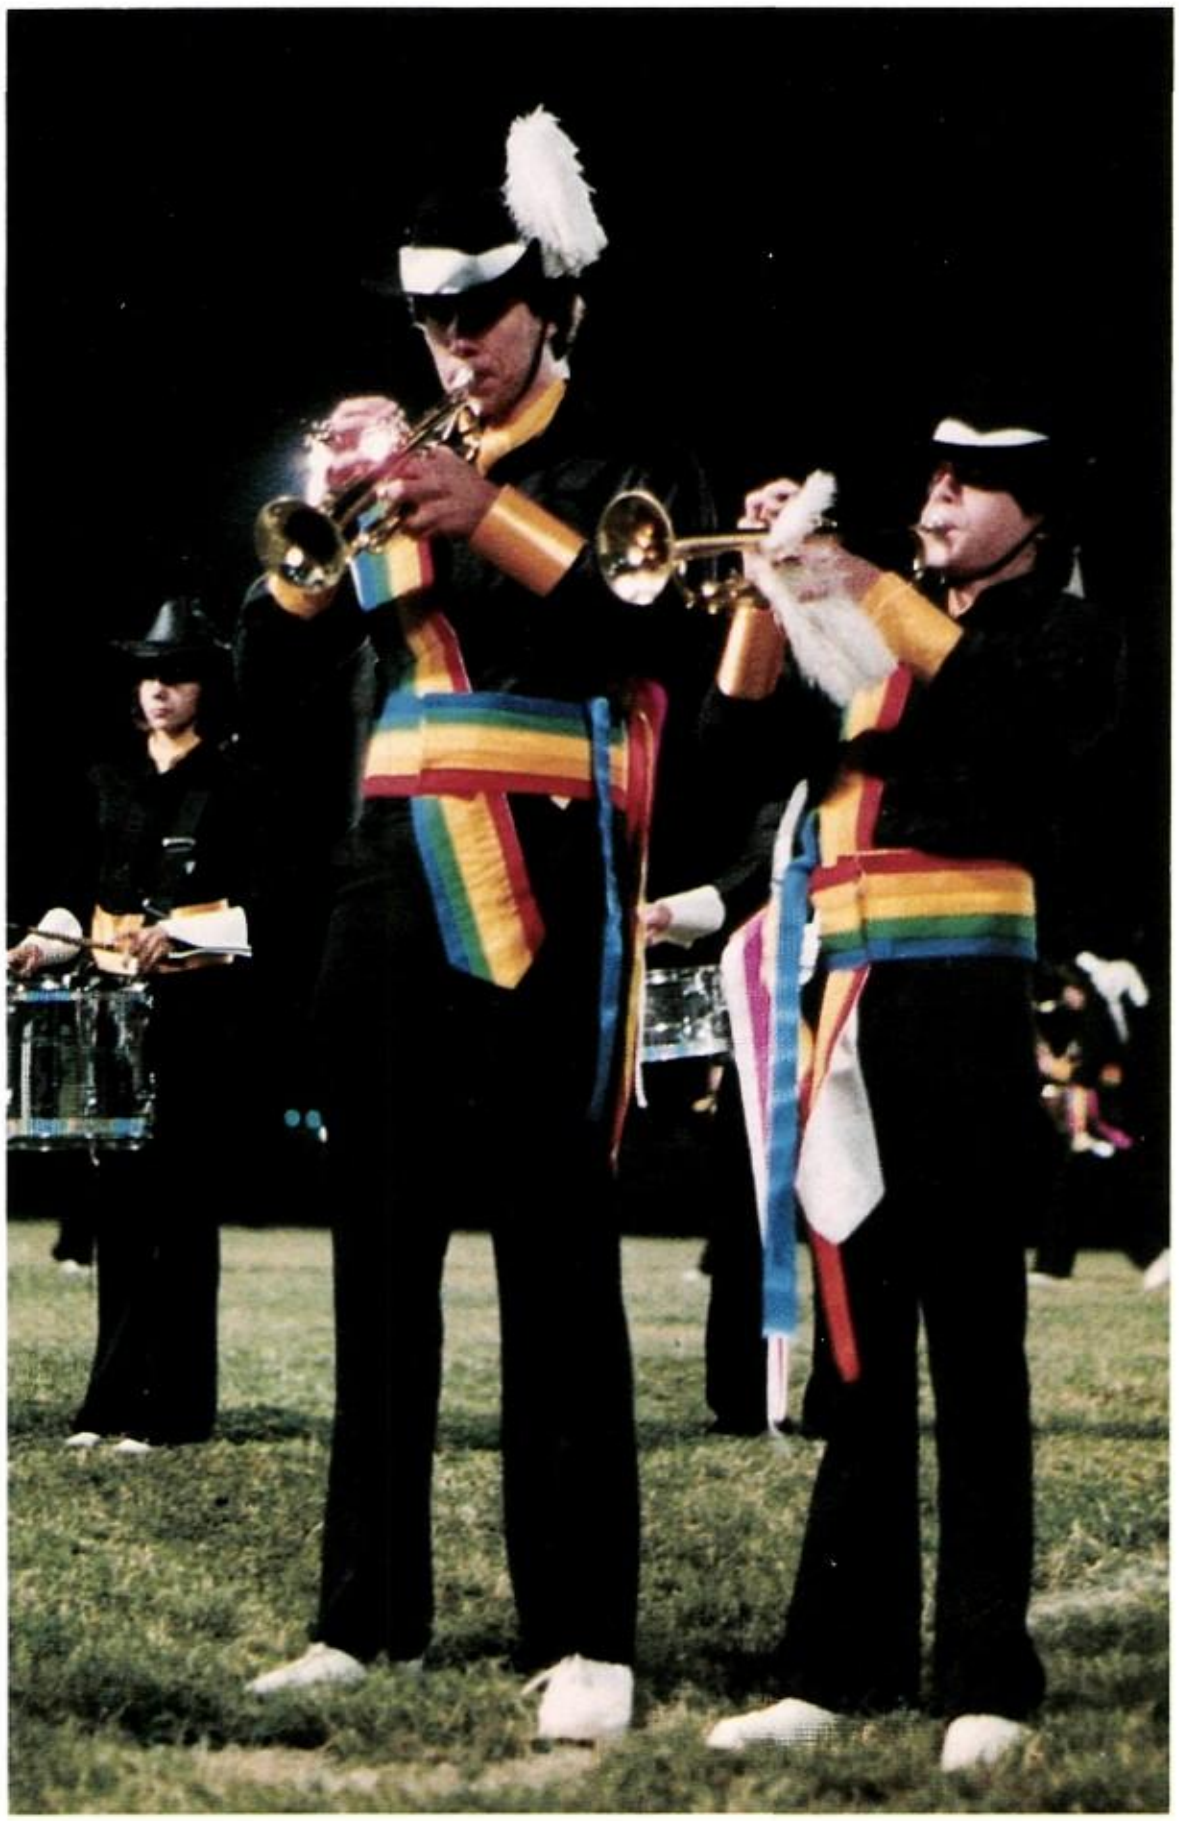
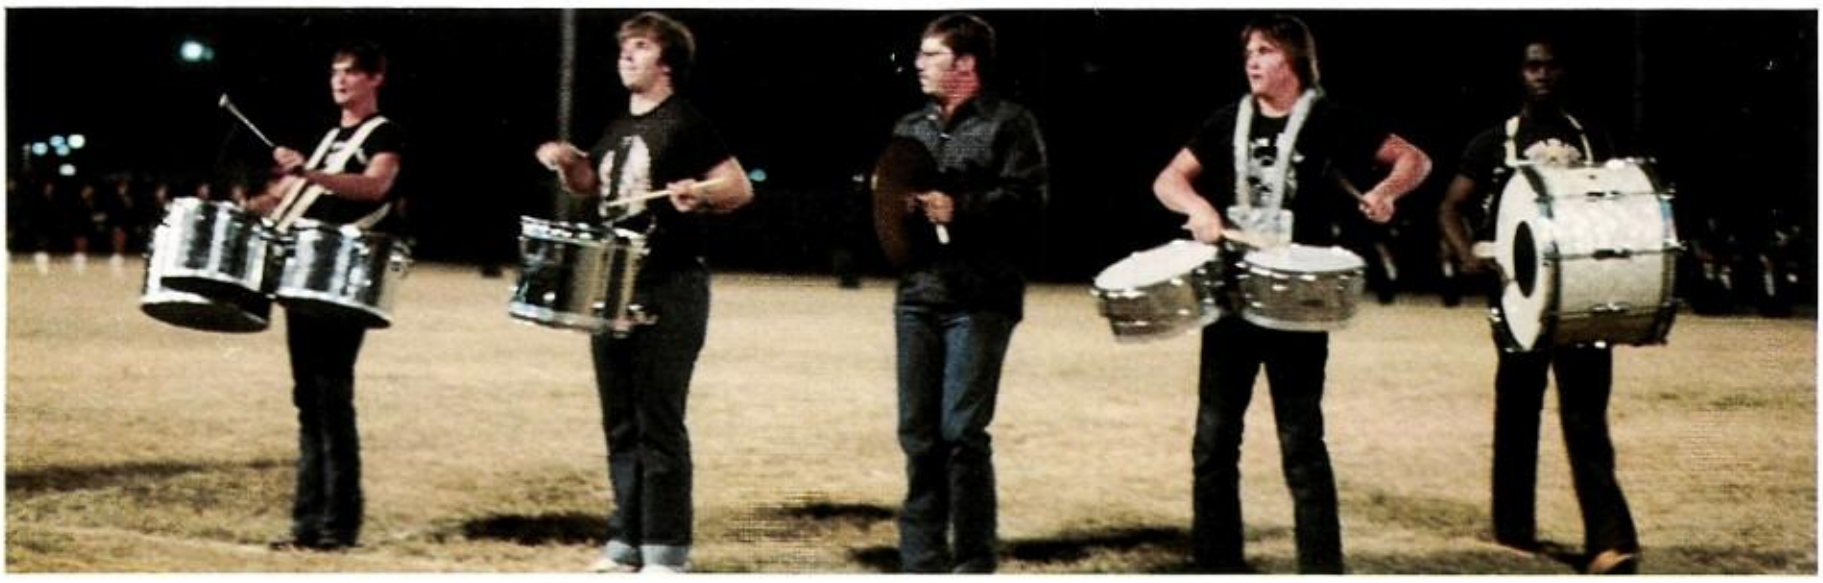
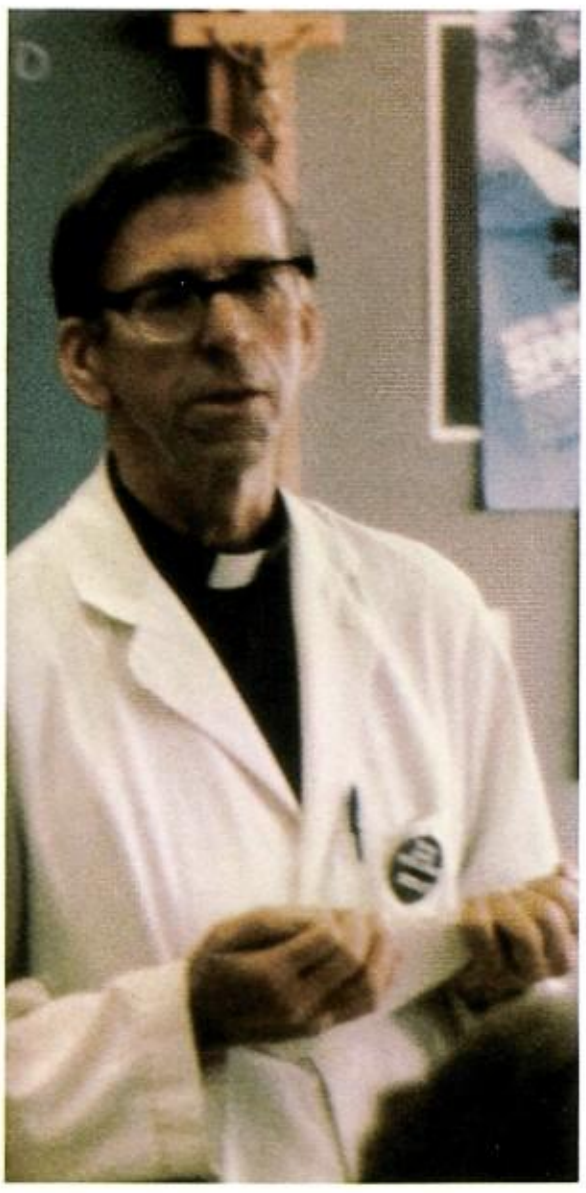
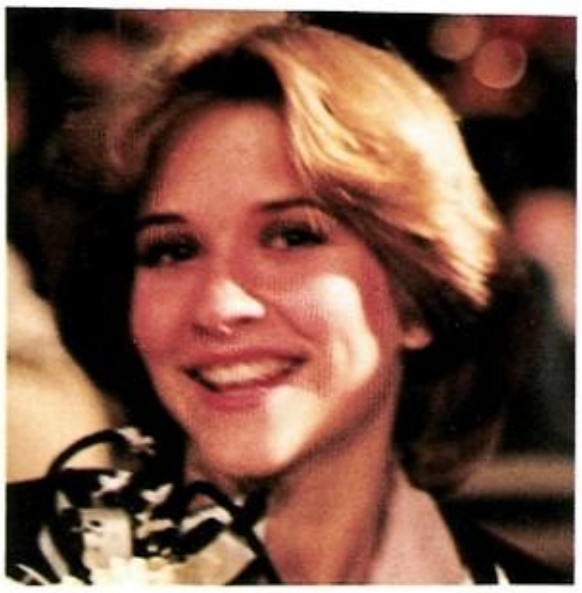
**Although the colors of a rainbow are separate and distinct,
They are united into a ribbon of wonder across the sky.
So, too, are the students, faculty and other members of the
Bishop Lynch community separate and distinct individuals
Who are united to form Bishop Lynch.**



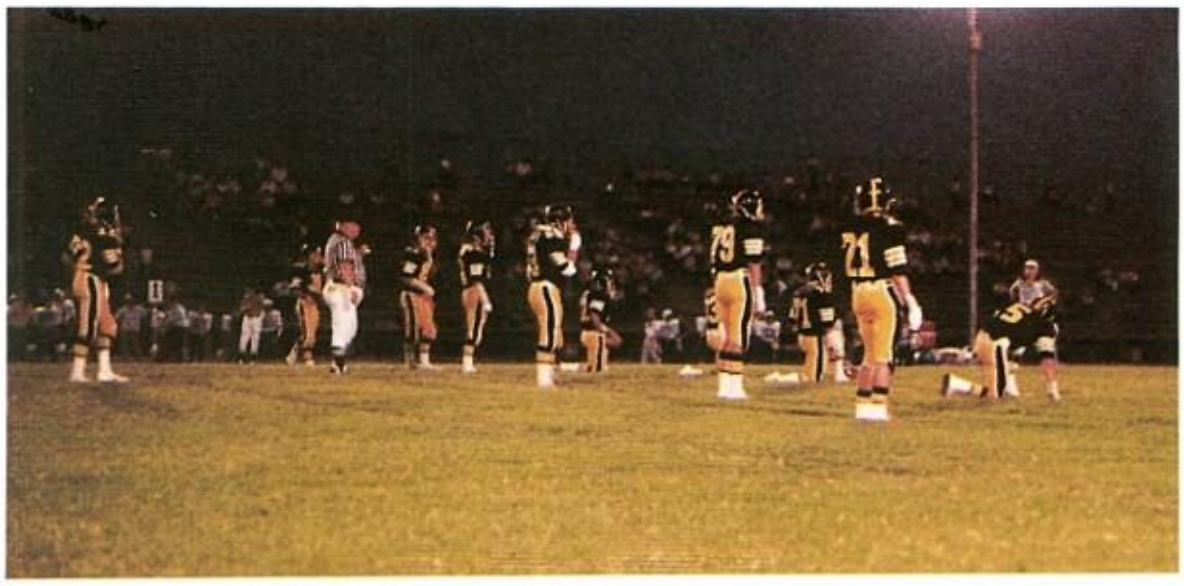
Just as a rainbow is nothing without color,
Bishop Lynch is nothing without people.

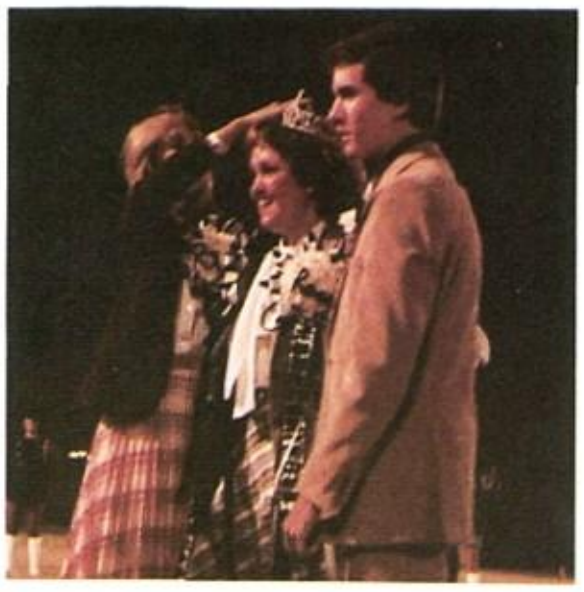






We are Bishop Lynch — our dreams, our talents
Our spirit and our own colorful personalities.

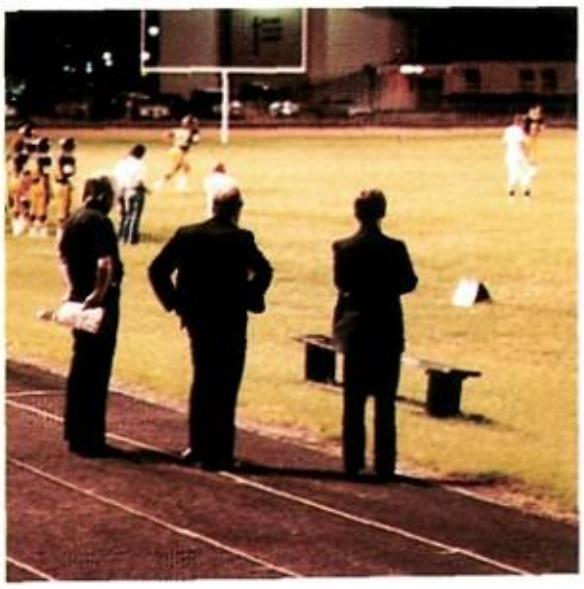


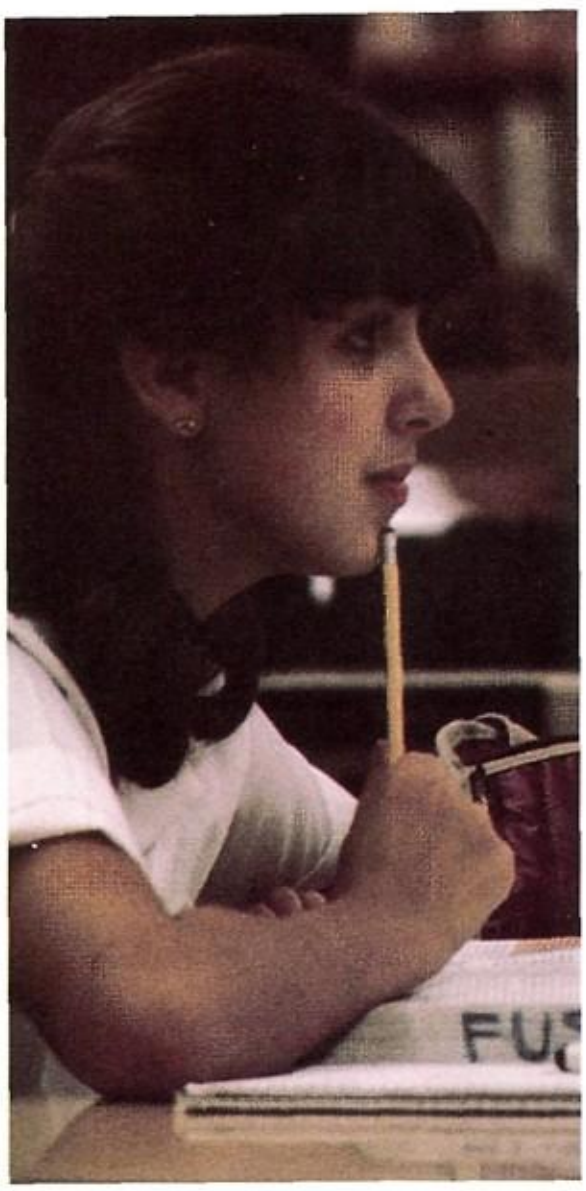


Together we possess one quality that distinguishes Bishop Lynch From all the others — A RAINBOW OF UNITY!

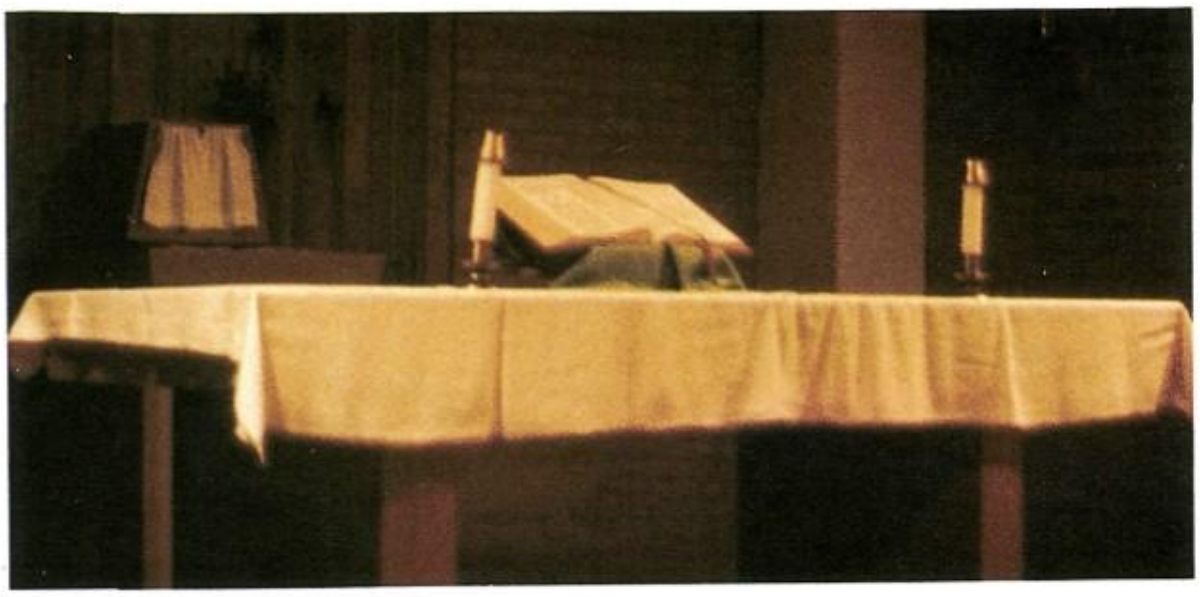
64

Bishop Lynch unites us all.
We each share something in common: our lockers,
Our teachers, our classes and our friendships.





The rocky road before us now,
May lead us to a rainbow.
There is a way out of every dark mist,
Over a rainbow trail.



Come Explore . . .

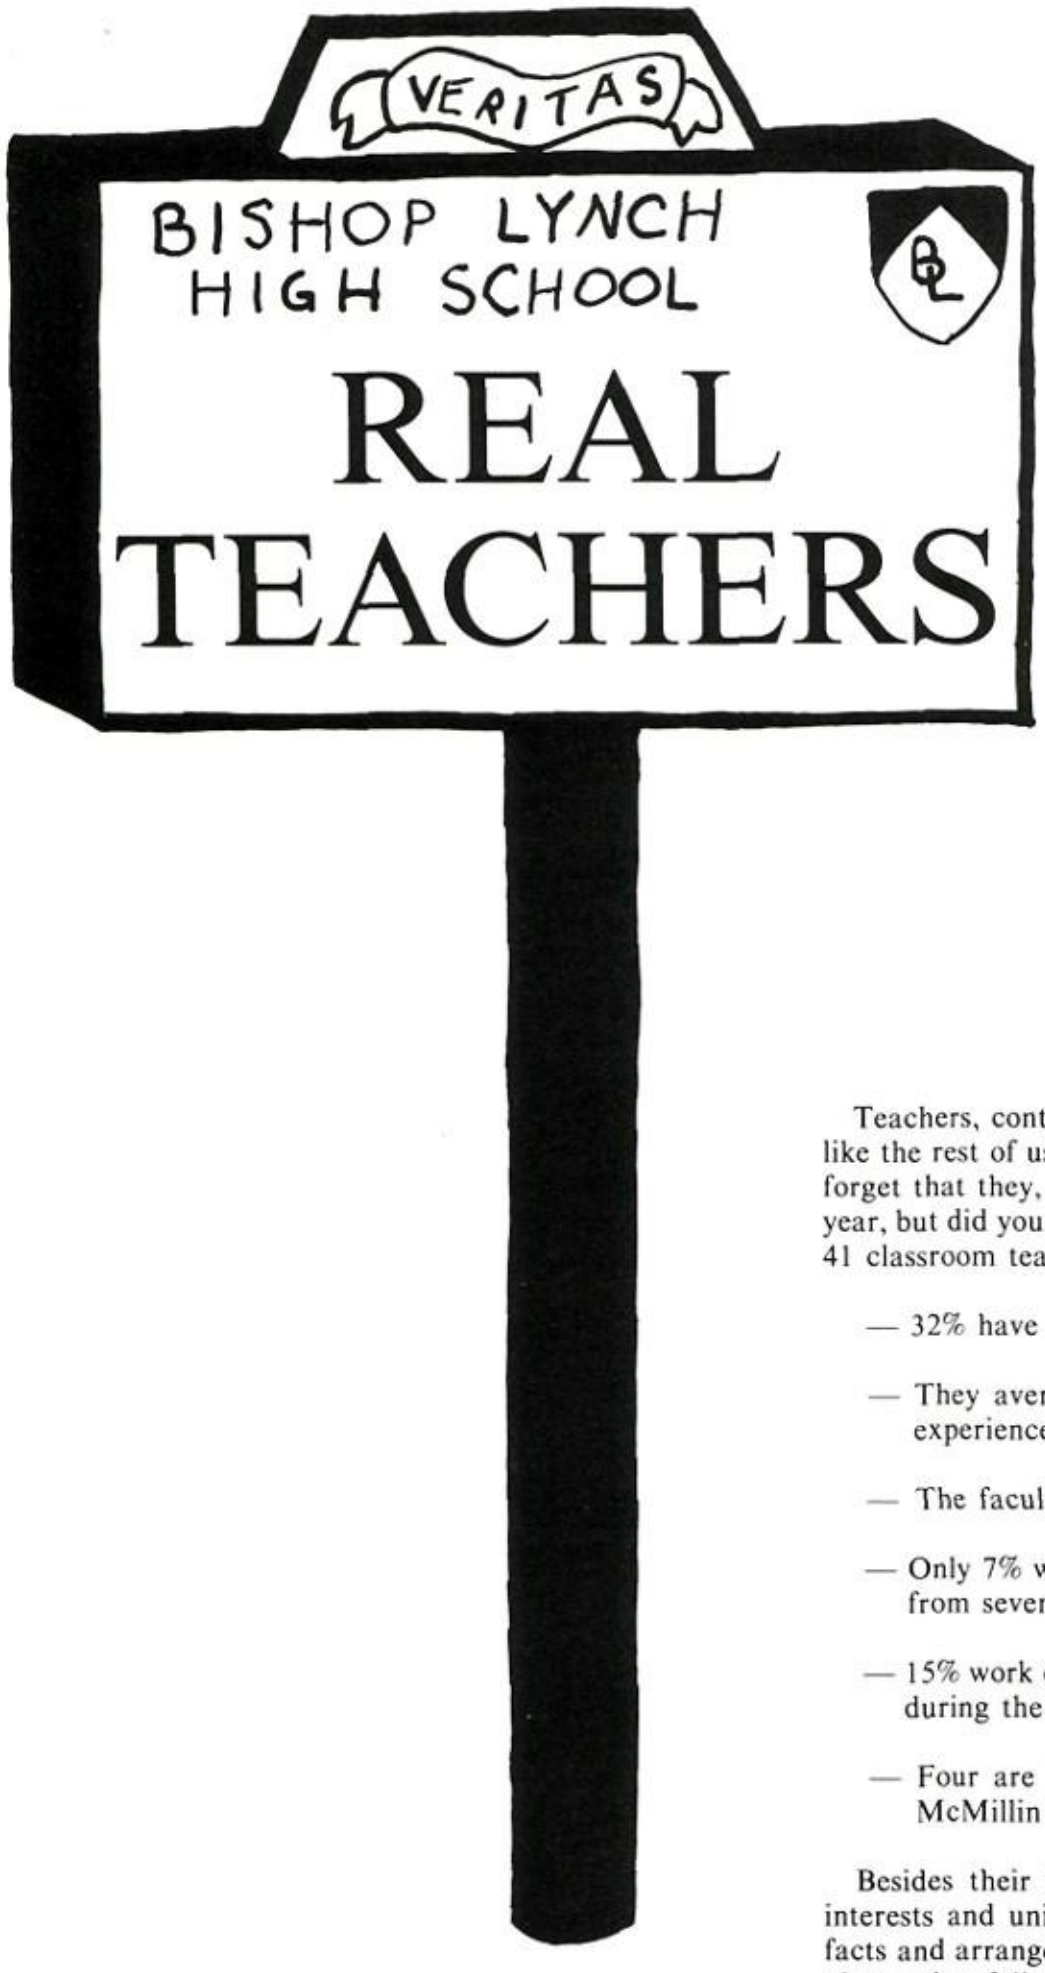
DEAN OF STUDENTS



Teachers, contrary to popular opinion, sleep, eat, breathe and dream just like the rest of us. All too often we consider only their "classroom" side and forget that they, too, are people. You spent 176 days with them during the year, but did you really KNOW them? For example, did you know that out of 41 classroom teachers:

— 32% have a least a Master's Degree (Sr. Barbara has a Ph.D.)

— They average 12.51 years of teaching experience and 5.12 years of experience at Bishop Lynch.

— The faculty consists of 22% religious and 78% lay teachers.

— Only 7% were born in Dallas, and only 22% in Texas. The others hail from seventeen different states.

— 15% work during the school year in addition to teaching and 32% work during the summer.

— Four are Bishop Lynch graduates: John Alves, Rick Boeglin, Julie McMillin and Andy Zihlman.

Besides their involvement at Bishop Lynch, all have their own special interests and unique backgrounds! We have collected a few "little-known" facts and arranged a quiz for those of you who feel up to it. Use the faculty photos that follow to identify the teachers who are described below. (When you give up . . . the answers may be found in the ad section.)

2. Has been collecting antiques for five years.

The Varsity and Junior Varsity Cheerleaders rallied the spirit of the Friar fans during the 1980-81 athletic season. All sixteen cheerleaders attended summer camp at NTSU and competed in various competitions. Winning fourteen individual and group ribbons, they advanced to the final competition. At this level they won the Universal Cheerleading Association's Spirit Stick.

Led by the enthusiasm of Nancy Maupin as head cheerleader, the girls devoted their time to activities such as painting banners, decorating lockers and preparing pep rallies and team dinners. Rosemary Persinger, moderator, coordinated all their activities.

Practice for the season began in the summer with two hour sessions held twice a week. The girls also attended a five day drill team camp at Baylor University, where they placed first in the Military Division and Marianne Liecht was named Miss Halftime U.S.A.

During the fall the Brigade continued their work with early morning sessions. Their performances at both home and away games were well received. The high level of discipline and performance maintained by the girls has rightfully earned them the title of "The Pride of Bishop Lynch."

The Thespian Club is a national organization for high school students interested in Drama. In order to be accepted a student must perform in a major theatrical production, work on a minimum of two crews, and take part in at least two one-act plays.

Drama students at B.L. may audition for the Theatre Arts Class, as well as participate in the yearly musical and in the Duet Acting category of area speech tournaments.

The Thespian Club was very active this year, and performed a wide variety of cuttings, including the Shakespearian scenes listed at the right. These presentations helped to polish their skills. The final class production, **Godspell,** was presented to the entire student body during Fine Arts Week.

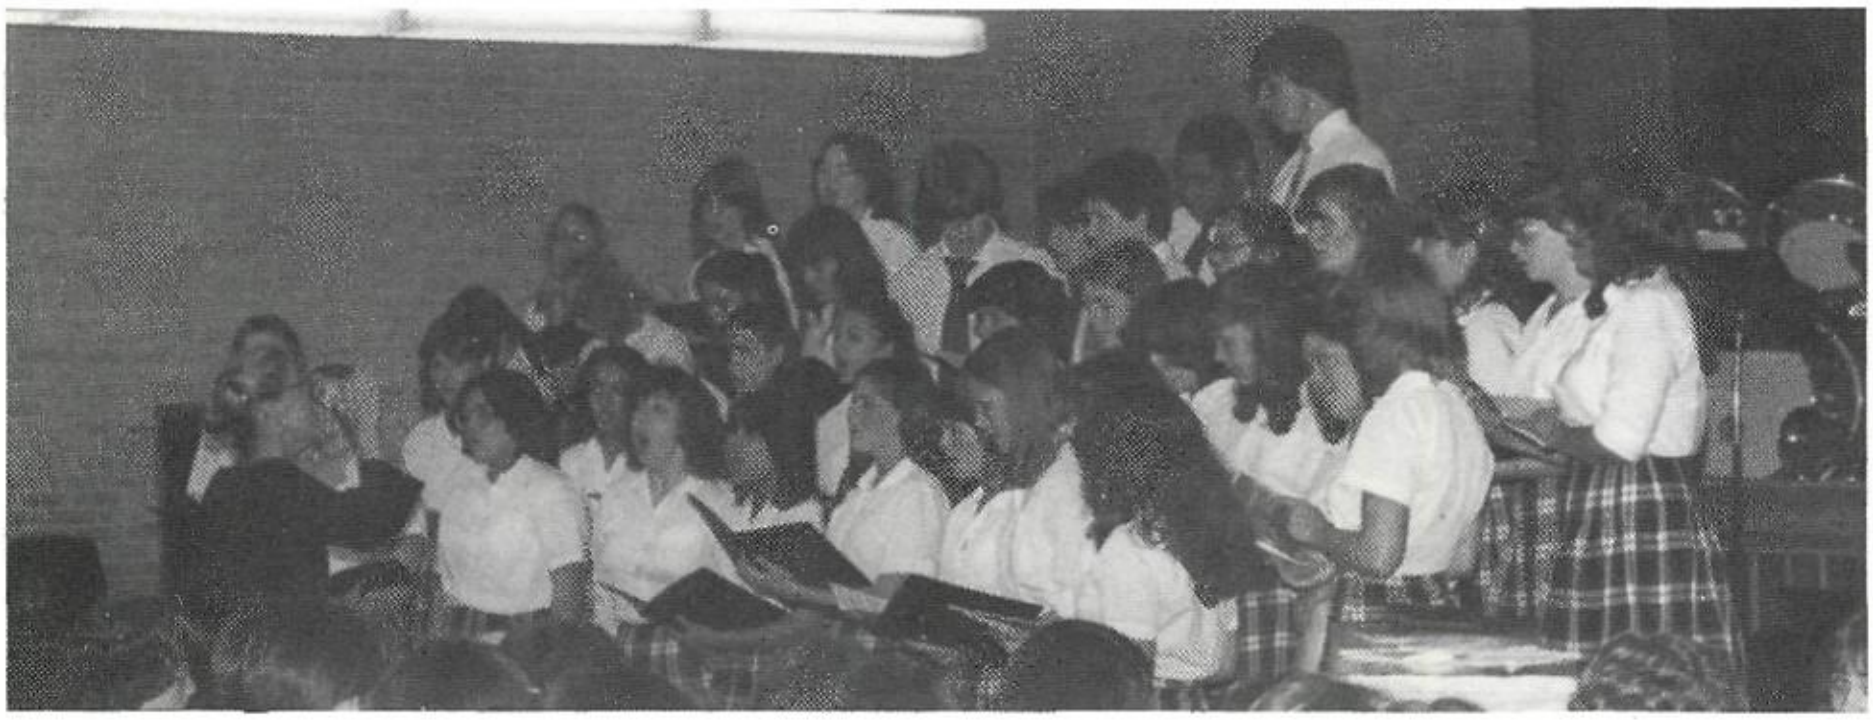
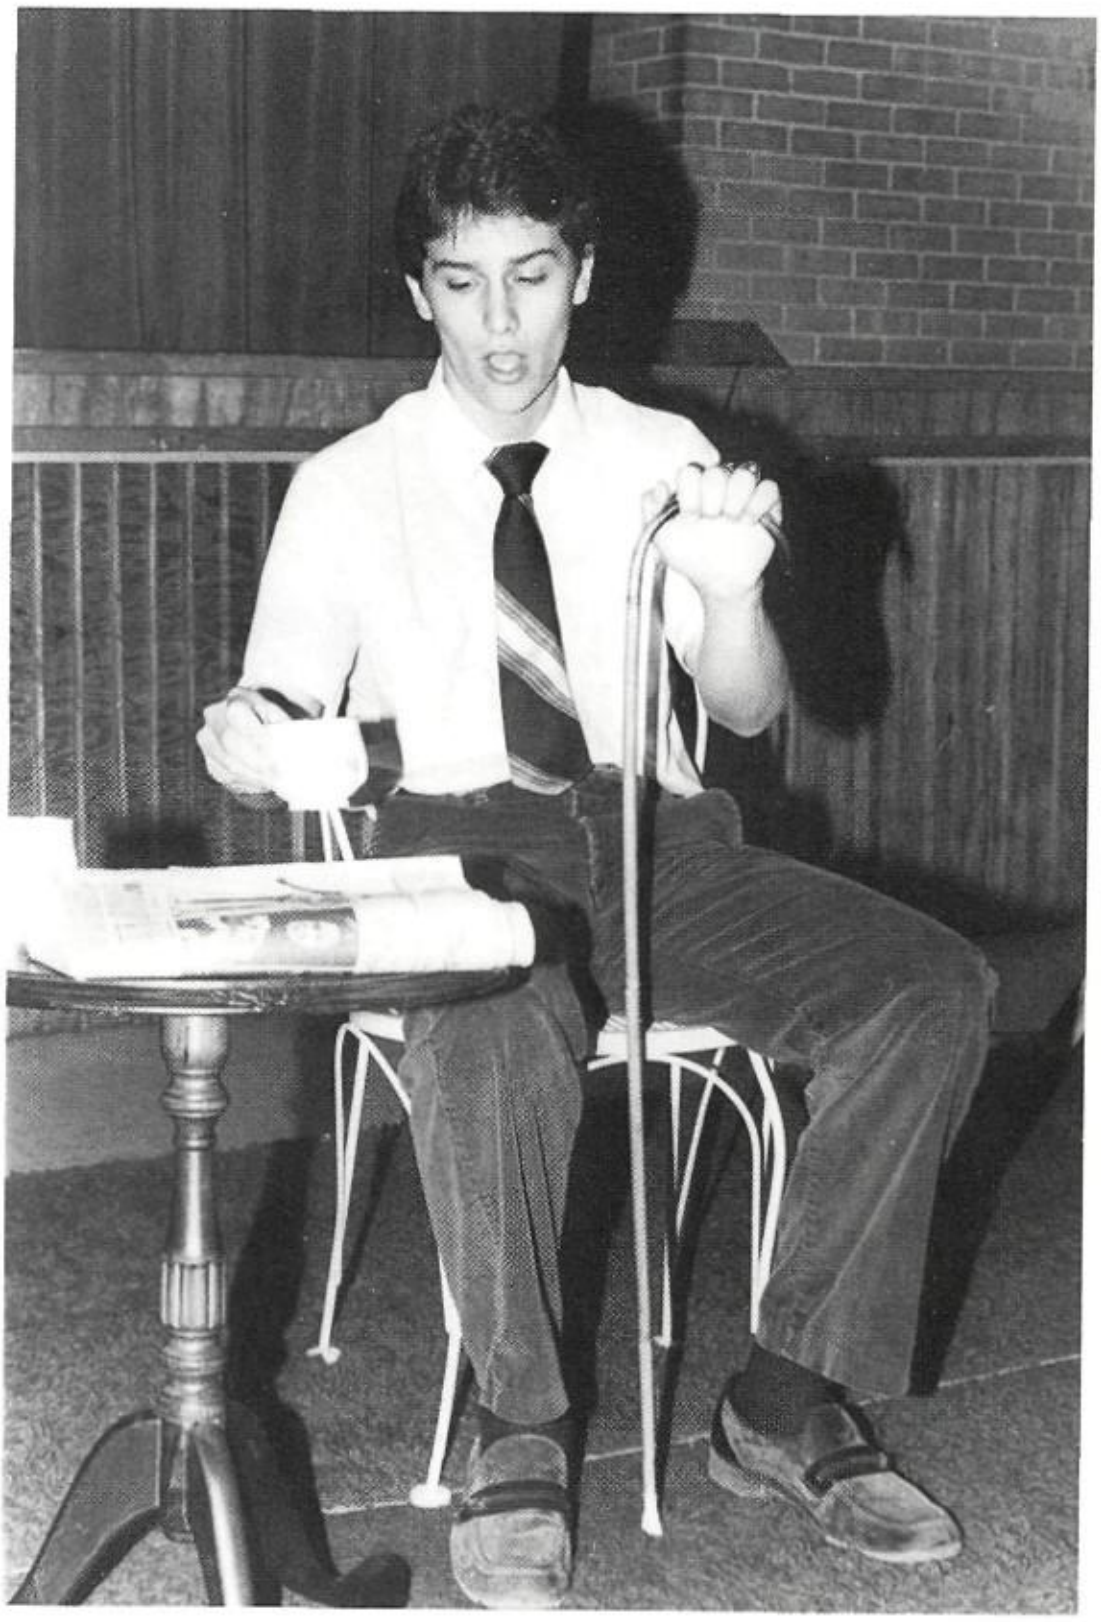
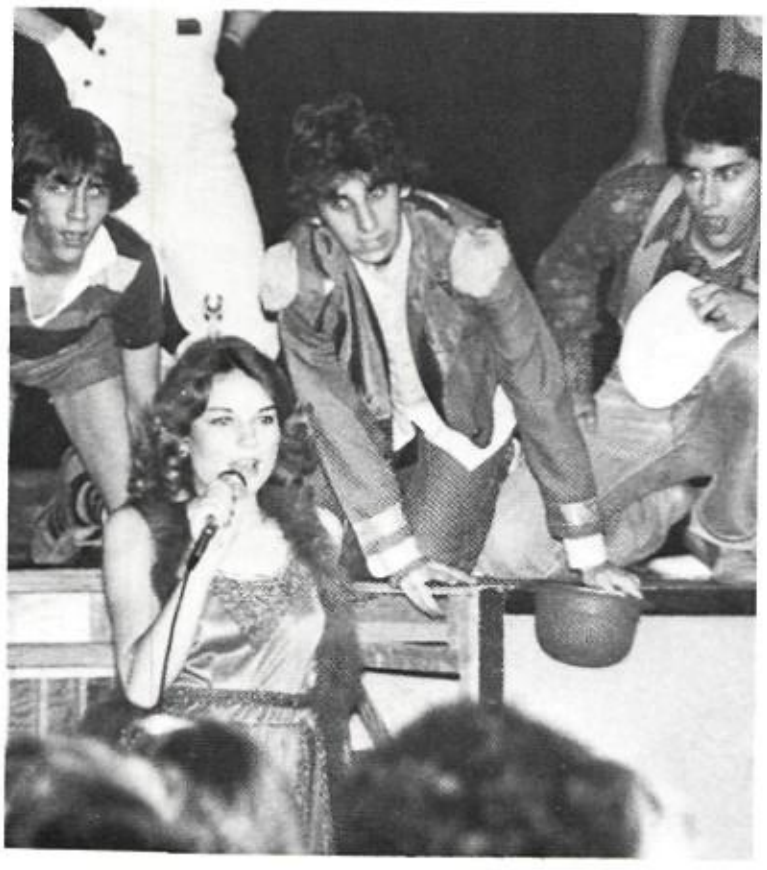
FINE ARTS WEEK

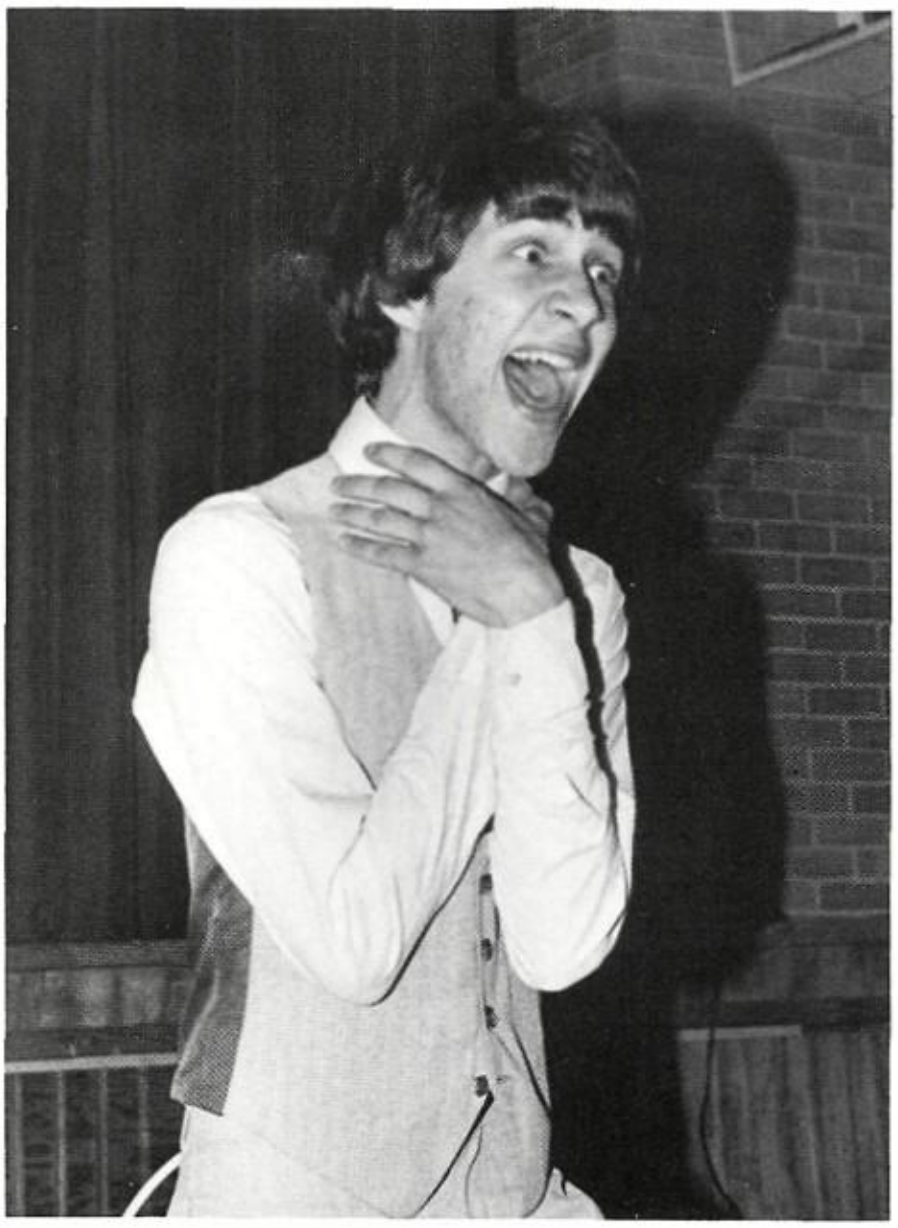
Fine Arts Week took place in May. Assemblies were held each day to showcase the talent of students in the Fine Arts Department. The Beginning Choir, Vocal Ensemble, Concert Band, Jazz Band and Speech Club participated in the assemblies, while work from the Art and Photography classes were displayed in the front halls. The Theater Arts production of **Godspell** wrapped up the week.

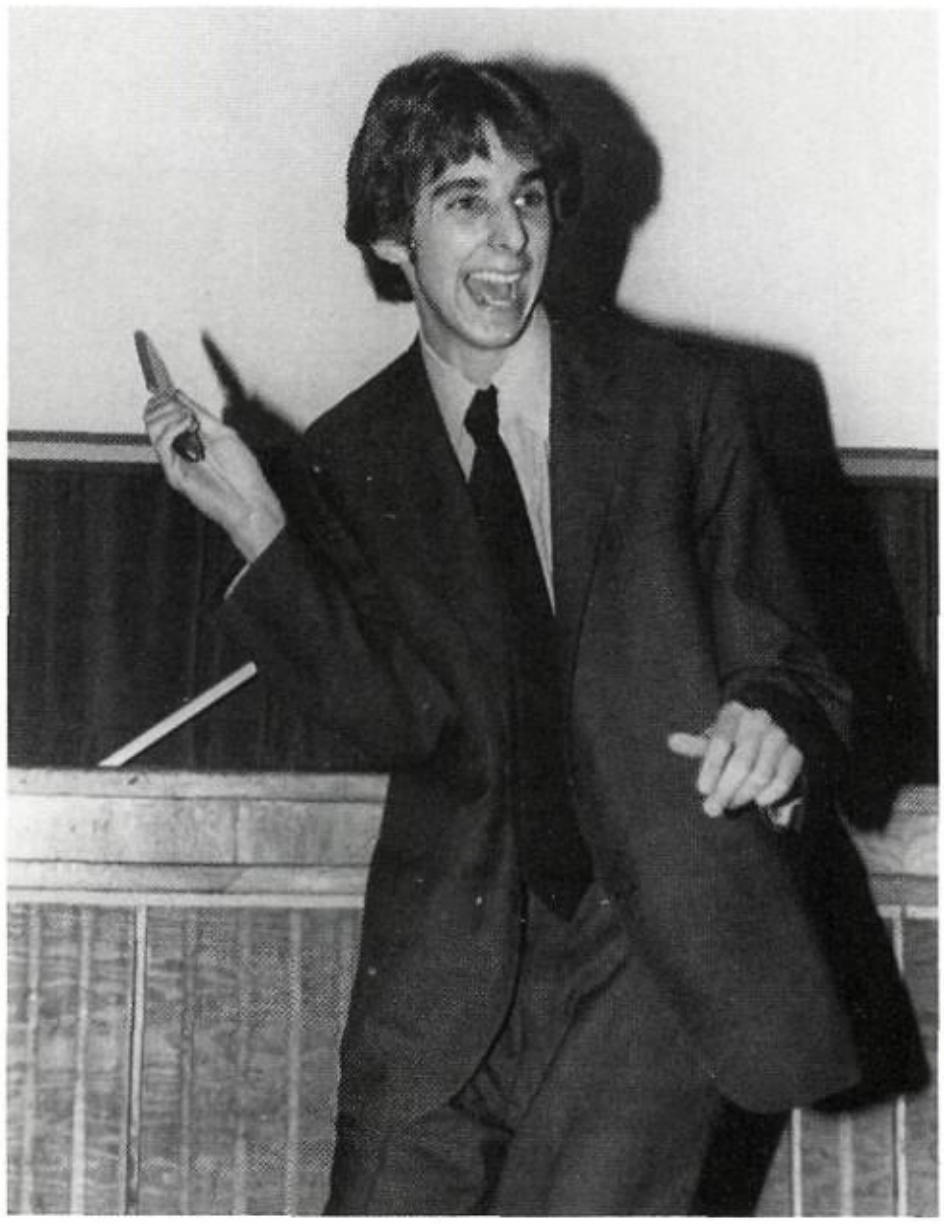






FINE ARTS WEEK





RING CEREMONY

The Junior Ring Ceremony was held on May 20 at St. Pius Church. During the special liturgy celebrated by Fr. Dvorak, Sr. Marie Amanda presented the juniors with their senior rings. Parents and friends were on hand to congratulate the juniors, as they were officially welcomed as the new upperclassmen.

JUNIOR-SENIOR TEA

The junior girls carried on a longstanding tradition at Bishop Lynch in May, by preparing a celebration for the senior girls. The first hour was set aside to enjoy the punch and desserts which had been prepared and to visit with friends. The highlight of the afternoon, however, was a series of skits presented which spoofed both seniors and faculty.

PROM

The Junior-Senior Prom was held in the Gold Room of the Fairmont Hotel on May 16th. Music was provided by "Country-Side."

During a special portion of the evening, all seniors and their dates were presented. Afterwards, the coronation was held. King Dan Yoxall and Queen Mary Grimley were crowned and granted a special royalty dance.

GRADUATION

Graduation was held at McFarlin Auditorium at SMU on May 19th. Bishop Thomas Tschoepe awarded diplomas to one hundred and fifty-six seniors. The address was given by Fr. Bertrand Ebben, Provincial of the Southern Dominican Province.
